

Recommendation letter for Mr Goran Kadić

- To whom it may concern -

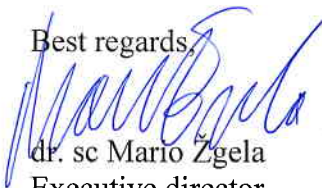

It is my honour to write a recommendation letter for Mr. Goran Kadić. I would like to emphasize very successful cooperation with Mr. Kadić during the period 2003. - 2007. when he was employed in company Optimal sistemi in Zagreb, Croatia. We established cooperation in some areas of IT security improvement of Croatian National Bank. With the generous help, knowledge and commitment of Mr. Goran Kadić, we managed to realize security activities still considered a good business decision.

Mr. Kadić is capable, independent person with expressed communication skills and successfully overcomes the demanding business tasks. During our four-year co-operation Mr. Kadić has contributed greatly to enhancing the quality of the security components of our IT system.

As I can recommend Mr. Kadić as a person who has left the impression of high professionalism and commitment in his field of work, I certainly want to emphasize that he has always tried to maintain appropriate level of partnership.

In view of the foregoing, I would honestly recommend Mr. Goran Kadić for the job related to the improvement of the information system of any enterprise. Mr. Kadić is pleasant and helpful person to the utmost dedication to do every day and demanding jobs and in which you will always be able to rely on.

Best regards,

dr. sc Mario Žgela
